Student Uniform Policy

School Year 2019/2020

Draft 5.0

September 2019

Dr. Robert Pilkington

Superintendent

VGV is proud of our history as being a “uniform school” from day one in 2013.

Every student and parent was aware that there was a uniform policy in place when they applied for admission. See the FAQ page of [vgonline.org](http://vgonline.org), our application website.

*The uniform policy is:*

- ✓ VGV logo top
- ✓ Khaki colored bottoms

*The uniform policy prohibits:*

- Denims
- Sweatpants
- Yoga pants
- Leggings
- VGV t-shirts worn over a hoodie (VGV or non-VGV hoodie)
- Black, brown, grey or camo chinos or slacks
- Scarves
- Hats
- Coats or outdoor wear
- Flip-flops
- Sunglasses
- Any non-VG top
- Any non VGV hoodie or track jacket
- Wearing street clothes in school if you are a dual enrolled student
- Changing into street clothes at dismissal while in school
- Arriving in street clothes and then changing into uniform while in school
- A VGV top that has been cut or knotted to become too revealing
  
- *Exceptions:*
- A college hoodie only if the student has officially been accepted to that school
- Interscholastic League athletes on scheduled “game days” can wear their jerseys
- Female head wear as approved by either Ms. Baker or Ms. Shebna Wagnac
- Monthly “Dress Down Days”

Basically, you have to wear a VGV top and khaki colored bottoms at all times and without exception. Wearing anything but the VGV top and khakis is a violation.

We would not be a uniform school if we did not enforce these rules.

Parents, please help. If your child leaves the house after you in the AM, you still must monitor them and are responsible for their uniform compliance. We will call you at work.

Students, please comply in order to make our school and your fellow students look good. The policy regarding uniforms is clear, please do not argue your case.
